Rotary's **Taste of Ridgefield** has found a new home! 30 Rotarians participated in this year's **Taste**. We set a record from many aspects. We had more sponsors than ever. Our marketing was on Facebook almost every day. The decorations were outstanding as the balloons welcomed everyone and the trees made the room festive. The Boys & Girls Club, Boy Scouts and National Charity League volunteers were fantastic! Congratulations **Taste of Ridgefield** team!

The follow-up to the Taste is ...

RRRESTAFFLE

or **GREAT EATING** phase two!

Last year we grossed \$59,908 for both events, thus we only need \$21,100 (less than we've ever sold) to set a new record!

Just think, **\$3,000** to enjoy at these **GREAT** restaurants with your family and/or friends.

RIDGEFIELD ROTARY **\$20** **\$3,000**

Rotary Club's Taste of Ridgefield returns with 'best food around'

By Bethel Life
RIDGEFIELD - Near 20 years ago, the Rotary Club of Ridgefield held its first Taste of Ridgefield event at the First Congregational Church. The event was a success and has since become a tradition.

Restaurant Week coming

About two dozen restaurants are participating in Restaurant Week, which will run from Feb. 5 to Feb. 11. It is presented by the Ridgefield Chamber of Commerce and hosted by Chefs Warehouse and Fairfield County Bank.

It's an event where participating restaurants offer special fixed-price menus — See page 2.

There doesn't appear to be any benefit for the Taste of Ridgefield to have Restaurant Week follow the Taste as TOR lost its banner on Town Hall (after over 10 years), one of its original participants, its article in the Press and its annual sponsor to Restaurant Week.
